

CAMDEN TANDOORI

40 YEARS OF THE FINEST INDIAN CUISINE

Our food is cooked to order and some dishes may take slightly longer to prepare. Please do choose from our starters while you wait. Our menu changes from time to time and as most of our ingredients are sourced locally, certain menu items are subject to availability. Our fish dishes are typically boneless but there may be some fine bones.

At Camden Tandoori we strive to make your dining experience truly special. If you have any special requests or dishes you'd like to try that aren't on our menu, please let us know! Our team will do our very best to accommodate your wishes and make your visit memorable. Your satisfaction is our priority, and we're here to make every meal unforgettable. Thank you for dining with us!

If you have any allergies or food intolerances, please speak to one of our service staff for guidance. Extra containers for leftovers will be charged at £1.00 per container, thanks.
